

BASIC BAG

Many families new to America are unfamiliar with canned food items. Granite Education Foundation provides items these families are more accustomed to such as flour, rice and dry beans. These essentials are in high demand and are difficult for the Foundation to keep in supply.

A Basic Bag includes:

- 2-pound bag of flour
- 1-pound bag of dry beans
- 1-pound bag of rice
- Assemble items in a plastic grocery bag

Please deliver completed kits to our Donation & Distribution Center at 3099 S 1030 W South Salt Lake, UT 84119

Donation drop-off hours:
