

HAIR KIT

Many students in our schools don't have access to hair care. Hair kits provide the necessary tools to help these young students and give them an extra boost of confidence. It's not uncommon to see educators, bus drivers, and even crossing guards helping students with their hair.

These kits include:

- A hairbrush
- Small comb
- Hair elastics (no tangle)
- Assemble items in a 8"x14" cellophane bag tied with a decorative ribbon
- Elastic headbands
- Nail polish
- Lip gloss/balm (flavored)
